

TrakFast™ 65

Master of Versatility

Put the power in your hands with the one tool that will do it all. From track & partition installation through to bottom plate pinning, experience strength and speed like never before.

Ramset™ TrakFast™ 65 System Overview

The Ramset™ TrakFast™ 65 is the master of versatility. With increased power, a well-balanced body and greater fastener capacity, the TrakFast™ 65 suits all track & partitioning jobs, and will tackle framing applications including bottom plate pinning into concrete with ease.

It punches harder and buries pins from 15mm to 65mm long into a variety of substrates, backed by its 105J power force capability.

With reduced recoil & vibration in the tool, you won't end your day overworked and fatigued. Even better, the tool is lighter ensuring you maintain momentum on the job and with 10,000 shots per battery charge, there's no downtime required to recharge.

Tool-less Adjustment

Easily set depth of drive

Massive 105J power
Consistent fixings even in extreme applications

Minimise Dust Exposure

Mitigate drilling and drastically reduce the risk of dangerous dust

Removable Support Leg

Ensures tool is at 90° to work surface for optimum fixings

Increase productivity

30 pin magazine and easily removable fastener guide

Great Line of Sight

Slimline nose design enables great sight lines

The System

Greater Tool Clearance

Allows the tool to fit in close to edge applications

Stop & Go Technology

Power saving feature isolates battery when tool is not in use

Lightweight

4.1kg and compact for use in various applications

Maximise comfort

Soft grip handle allows for a better hold and increased stamina for long use

Electronically Controlled Fuel Injection

Ensures consistent power in a wide temperature range

Lithium Battery

3.7 LI-ION fast charge battery, up to 10,000 shots between charges

Low Maintenance

Designed to work in all Australian conditions

Fuel and Battery Gauges

Convenient LED display to help avoid running out of battery or gas

The Specs

The Ramset TrakFast™ 65 delivers fast, consistent and reliable performance while covering a wide range of applications

Tool Specification

Weight According EPTA (Kg)	4.1kg (with battery)
Net Depth Dimension (mm)	362 mm
Net Length Dimension	404 mm
Net Width Dimension (mm)	113 mm
Power (Impact Force)	105 J
Magazine Capacity	30 fixings
Actuation Force	4.5kg
Fuel Cell Capacity	750 shots appx
Battery Charge Capacity	10,000 shots
Operating Temperature Range	-15°C to +49 °C
Fixings Per Sec	2 fixings
Fastener Length Range	15 - 65mm
Vibration (EN ISO 8662-11) HAV	4.4m/s2

Heavy duty
carry case

TrakFast™ 65 System Product Codes

Part No	Description	Order Qty
TF65	TrakFast™ 65 Concrete Nailer	1
019336	Li-Ion Battery	1
018546	All-in-one Li-Ion Battery Charger	1
014641	Magnetic Washer Adapter	1
B20544L	Gas Tool Degreaser and Lubricant	1

Part No	Description	Length	Order Qty
---------	-------------	--------	-----------

Steel pins for standard concrete fixing

P8C620	Standard Concrete Pins	20mm	500
P8C625	Standard Concrete Pins	25mm	500
P8C630	Standard Concrete Pins	30mm	500
P8C635	Standard Concrete Pins	35mm	500

High performance pins for steel, hard & pre-stressed concrete

P8HC615	Premium Hardened Concrete Pins	15mm	500
P8HC617	Premium Hardened Concrete Pins	17mm	500
P8HC622	Premium Hardened Concrete Pins	22mm	500
P8HC627	Premium Hardened Concrete Pins	27mm	500
P8HC632	Premium Hardened Concrete Pins	32mm	500
P8HC650	Premium Hardened Concrete Pins	50mm	500
P8HC657	Premium Hardened Concrete Pins	57mm	500
P8HC665	Premium Hardened Concrete Pins	65mm	500

Comes in 10-pin strip collation with 1x P800 Fuel Cell

Spiral Knurled Pins for steel and concrete fixing

P8PLY138	Hard Steel Sprial Knurled pins	35mm	1000
----------	--------------------------------	------	------

Comes in 10-pin strip collation with 2x P800 Fuel Cell
