

CableMaster™ C-Plus®

Small and Mighty

The CableMaster™ C-Plus® is a compact cordless gas fastening tool with 95j of power, which means installers can get the job done faster with reliable direct fixing for plumbing, data, and electrical installations.

Ramset™ CableMaster™ C-Plus® System Overview

Powerful yet compact

One of the lightest but most powerful gas nailers on market with 10,000 shots per charge as standard and easy access into tight spaces.

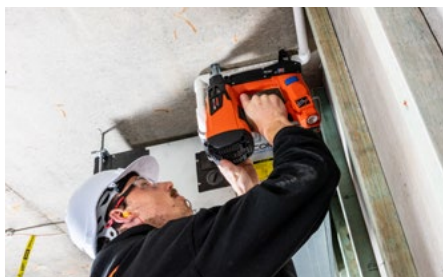

Save Money and Time

Faster installation than traditional methods of fixing, removing the need to drill and plug.

Safety without Compromise

Reduce hand/arm vibration & dust by mitigating the need for drilling.

95J power

Consistent fixings even in extreme applications

Tool-less Adjustment

Easily set depth of drive

Minimise Dust Exposure

Mitigate drilling and drastically reduce the risk of dangerous dust

Accessories

Easily removable fastener guide and magazine, optional 30 pin magazine for increased productivity

Removable Support Leg

Ensures tool is at 90° to work surface for optimum fixings

Great Line of Sight

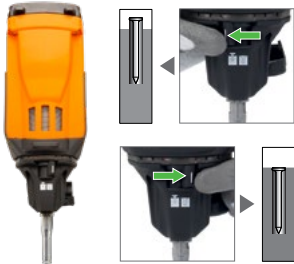

Slimline nose design enables great sight lines

Greater Tool Clearance

Allows the tool to fit in close to edge applications

The System

New Top Cap for easy cleaning

Depth of Drive Adjustment provides a quick and easy change of penetration depth.

Soft Grip on both sides of handle

For comfortable operation

Electronically Controlled Fuel Injection

Ensures consistent power in a wide temperature range

Lithium-Ion Battery

Fast charge, up to 10,000 shots between charges

Stop & Go Technology

Power saving feature isolates battery when tool is not in use

Low Maintenance

Designed to work in all New Zealand conditions

Fuel and Battery Gauges

Convenient LED display to help avoid running out of battery or gas

Belt Hook Shape

Allows for 180° rotation

The Specs

Work More and Charge Less

Innovative gas technology gives 10,000 shots per battery charge.

The Ramset™ CableMaster™ C- Plus® is designed for a lasting, better fix into concrete, steel and masonry. With no need to pre drill to install cable, conduit, trunking and a variety of other applications, installers can **reduce dust, increase efficiency** and get the job done faster.

Tool Specification

Weight	3.4kg (with battery)
Net Depth Dimension	315 mm
Net Length Dimension	345 mm
Net Width Dimension	112mm
Power (impact force)	95 J
Magazine Capacity	20 Pins
Actuation Force	4.2kg
Fuel Cell Capacity	750 shots apprx.
Battery Run Time	10,000 shots / charge
Nail Length Capacity	15-27mm
Operating To	-15°C to +49 °C
Actuation Stroke	15mm
Fastener Length Range	15 to 27mm in strip
Vibration (EN ISO 8662-11) HAV	4.9 m/s2

Heavy duty
carry case

CableMaster™ C-Plus® System Product Codes

Part No	Description	Order Qty
CMCPLUS	Cablemaster C- Plus	1
019336	Li-Ion Battery	1
018546	All-in-one Li-Ion Battery Charger	1
019418	20 Pin Magazine	1
019419	30 Pin Magazine	1
014641	Magnetic Washer Adaptor	1
B205544L	Gas Tool Degreaser and Lubricant	1

Part No	Description	Order Qty	Size
Contractor Packs (Pins, Clips, Fuel)
