

RAMSET™ CHEMSET™ PREMIUM HOLE CLEANING BRUSH

BOND TO CONCRETE, **NOT CONCRETE DUST**

OPTIMUM ANCHORING SOLUTIONS™

Ultimate bond strength
for Optimum Anchoring

Ergonomic handle for
all-day use

Hex design fits
standard drill
chuck

Modular extensions
for deep holes

Durable and
replaceable parts

Introducing the new Ramset™ Chemset™ Premium Hole Cleaning Brush, the smarter, high-performance accessory for your Chemset™ anchoring jobs.

Hole Prep isn't optional - your bond strength depends on it.

The new Modular Hole Cleaning Brush makes sure every hole is cleaned properly, removing dust and debris for maximum chemical bond strength. Designed for real job sites, this brush has a modular design, a comfortable handle, easy replacement parts and the option to extend for deep holes. You can even fit it to your drill chuck to save time and effort.

Backed by Chemset's promise as your total optimum anchoring solution, you can trust Ramset to deliver tools and accessories that perform.
